Summary

I host a podcast and conference focused on AI solutions for businesses. I run a media agency specializing in short-form content. I lead an online school (on Skool) for non-native English speakers who want to improve their speaking abilities and learn about tech.

Hosted an AI Conference in Las Vegas and New York City in 2024, next one May 2025. Growing a podcast talking with the leading AI Creators and Startups in the world.

Hire me to be your Executive English Coach - improve your speaking and pronunciation skills while also finding solutions to your business problems.

I worked for Harry Stebbings, helping him build his 20VC media empire through TikTok, Twitter, IG and YouTube.

I started in podcast clip account of The All-in Podcast in 2021 and grew it to 450,000 followers, which was later acquired by The All-in Podcast.

Prior to all of this, I was an English teacher. I worked in five countries (United States, France, Thailand, South Korea and China) and have taught to all age groups and class sizes. I'm an avid cultural and travel enthusiast who has visited 60 countries.

I'm here to help, educate, and inspire people.
